Data Solutions That Drive Revenue & Connections

kNEXTis LLC, is a data solution company that focuses on connecting customers with companies that want to engage with individuals, groups and organizations. We use various marketing tactics to deliver results and to drive B2B and or/ B2C revenue for our clients.

Our interactive games use various mechanics that collect data and drives revenue.

- Spin & Win, Slots, Scratch Off, Etc.
- Mobile Solutions
- Facebook Ad Unit Games
- Game Cards
- QR – Barcode Links
- Text Promotions
- Trade Show Lead Capture

Gamecards + QR Codes can be distributed in store or on campuses, to encourage individuals to play a “Spin and Win” game.

Depending on the tactics of the client, we can set the prizes to be awarded.

At the end of the Spin of the Pizza we will serve up a Game Message...

Our games can be designed to have different values of prizes and we can distribute prizes from a central Prize Pool

Example:

- Level One: Pizza For A Year (Grand Prize)
- Level Two: FREE Pizza
- Level Three: FREE Drink
- Level Four: Discount Coupon
- “Try Again” Message

The desktop version of the form features a red background. At the top, there is a logo for 'Delicious Pizza' with the tagline 'Fresh Pizza!'. Below the logo is a white box containing the text 'Claim Your Prize' next to a gold medal icon. Underneath, there are two input fields labeled 'Enter Name' and 'Enter Email'. At the bottom right of the white box is a button labeled 'Form Incomplete'.

We collect the data from individuals so that our clients can follow-up and enter the contestant into their follow-up campaigns.
